

Junior Adventure Camp

Water Week!
July 16th - 20th

Monday July 16th: We will kick off our water week with a full day of playing in the sprinklers at the upper field! We also have other water games along with freeze pops and some indoor water crafts!

Tuesday July 17th: Today is our field trip day! We will take a trip to Candia Springs Adventure Park in Candia, NH! This is a waterpark designed specifically for younger children. There are water slides, a small splash park, and a man made lake with an inflatable obstacle course! There are life jackets provided at the water park, but if you feel more comfortable you can pack your camper with a flotation device! (please no noodles or boogie boards!) We will leave for this field trip right at 10:00am, and return around 4:30pm. **The extra cost for today is \$20.**

Wednesday July 18th: Wednesday's are our beach days! We will be going to Harbor Beach right at 10:00am. Please make sure to remember sunscreen, a towel, and swimsuit in particular today! We will be eating lunch at the beach. Also, please make sure your child is wearing sunscreen and their bathing suit **BEFORE** you drop them off at camp. The bus arrives at 10:00am sharp and we do not have enough time to apply sunscreen to every child before we leave.

Thursday July 19th: Today we will have our very own water olympics! We are going to play plenty of water games, so please make sure your camper has their bathing suit on, and plenty of water!

Friday July 20th: Today we are going to take a trip to Fort Foster in Kittery, ME. We will leave for this field trip at 10:30am and return around 3:30pm. While there, we will play on the forts, swim and play on the beach, and play on the playground! Please make sure your camper arrives with their bathing suit **already** on, and a durable pair of shoes as there are lots of rocks on the beach and the forts are cement! **The extra cost for today is \$5.**
