

LONG SANDS GARDENS

FUNDRAISING CAMPAIGN

SPONSORSHIP OPPORTUNITIES

Diamond	\$10,000
Platinum	\$5,000
Gold	\$2,500
Silver	\$1,000
Bronze	\$500

GIFTING OPPORTUNITIES

Nautical Flag Pole with Yardarm	\$15,000
Commercial Bench Swing	\$10,000
Outdoor Rinse Station (Shower)	\$5,500
Drinking Fountain	\$5,500
(6) Decorative Light Poles	\$6,000
(12) Benches	\$5,000
(6) Picnic Tables	\$3,500
(2) Bike Racks	\$2,500

Benches will provide resting spots for visitors, giving options for donors and an aesthetic touch to the gardens.

Plantings will protect and beautify the gardens surrounding the new bathhouse. Ornamental grasses, black-eyed Susans and other plants will brighten up the gardens.

Attention York Residents and Friends!

You can be a part of the NEW Long Sands Gardens! Through gift giving opportunities, the area surrounding the new bathhouse will feature many nice amenities (see below).

Through our new Bathhouse Gardens Fundraising Campaign, individuals, families, and businesses can become Project Sponsors. Additionally, specific Gifting Opportunities are available and will be recognized on amenities as well as a large plaque on the building.

As part of the project, we have created a public green space. This area will incorporate soft-scape landscaping features on both the south, and north ends of the new bathhouse, increasing the amount of pervious surface. The area will be aesthetically pleasing, pedestrian friendly, and include site elements such as benches, a flag pole, a bicycle rack, a rinse station, a drinking fountain and other street and landscape elements. This part of the project was not funded as part of the bathhouse construction and the Building Committee has launched a fundraising campaign to support the beautification of this wonderful community project.

A yardarm flagpole will stand tall as a marker to the bathhouse, a sign of patriotism and a finishing touch to the park.

This elegant swing will allow visitors to sit, relax and enjoy amazing views of the Atlantic Ocean.

This unique drinking fountain will offer fresh water for drinking, filling your water bottle or giving your dog a quick drink.

Permanent bike racks will offer a secure place for cyclists to put their wheels while they enjoy the beach.

Plantings will protect and beautify the gardens surrounding the new bathhouse. Ornamental grasses, black-eyed Susans and other plants will brighten up the gardens.

Commercial grade picnic tables will offer beach visitors a resting spot and a place to enjoy a snack.
