

Outdoor Adventure Camp - Week 7

August 13th-17th

Monday August 13th - White Lake

We are starting off our week at one of our favorite spots! Today we will be heading back to White Lake in Tamworth, New Hampshire for a day on the Lake. The bus will be leaving at **8:30am** today so we can spend as much time at the lake as possible. We will be returning to camp around **4:00pm**. Please send your camper with their bathing suit, towel, sunscreen, change of clothes, snacks, lunch, and plenty of water for a day in the sun.

*****Extra cost for today is \$5*****

Tuesday August 14th - Sea Dogs Prep

Today we will be practicing for our many sea dog events! We will practice the three legged race, water balloon toss, and the heinz condiment race! The camp with the best banner, loudest cheer, and most points from the games gets an hour with Slugger so we have to have plenty of practice!

Wednesday August 15th - Long Sands Beach

For our weekly beach trip, we are hitting the waves at Long Sands today. We will leave after snack and return to camp to eat lunch. Please be sure to send your child with the essentials for a beach day.

Thursday August 16th - Sea Dogs Spirit Day

Today we will be attending the Sea Dogs game in Portland! Today's game also happens to be camp spirit day at Hadlock Field, so OAC needs to show up loud and proud! The bus will be leaving for Portland at **10:00am** sharp! Some campers may be selected to participate in a variety of contests on the field in between innings. Campers may bring money to buy food, drinks, or a souvenir. If you do not want to send your child with money, please be sure to send them with a lunch - we will be eating lunch after the game. Make sure your camper has a water bottle so they can rehydrate throughout the day at the stadium and sunscreen to apply throughout the game. It is important that your child wear their yellow York Parks & Rec shirt on this day - it is a spirit competition after all! **Please make sure to sign-up for this trip in advance.**

*****Extra cost for today is \$15*****

Friday August 17th - LAST COMPETITION DAY OF 2018

Today we're bringing back a camp favorite from previous summers! Competition day includes a game or two, some sort of art project, making a team banner, and lots of fun! Teams can gain points by being good at games or helping another team, but can just as easily lose points by not working as a team. These days teach the campers about teamwork, good sportsmanship, and how to enjoy a competitive atmosphere.

*****Extra cost for the week is \$20*****
