Our last Tuesday calls for a day filled with our favorite OAC camp games! We are hoping to grab the gym at YHS for a few hours so we can play some gym games (*weather dependent*). We will be playing games such as JYD, Krackabout, Boundary ball, and many more.

Wednesday, August 22nd - Final Beach Day

We will be wrapping up our last beach day of the summer at Long Sands beach. Please be sure to send your child with a bathing suit, towel, sunscreen, lunch, two snacks, water, a change of clothes, and any beach toys they may want to use.

Our last field trip of the summer! Funtown is always a camper favorite. Campers will have the opportunity to ride the Dragon's Descent, Excalibur, the Log Flume, and many more!
