

ADVISORY BOARD MEETING MINUTES

York Senior Center Advisory Board Meeting-----September 18, 2018

Meeting called to order at 1:10 PM by Jacqui Valentino

No Chairperson's Report

Minutes were read and the following corrections were made. Janis reported that the University of N. Hampshire wants to collaborate with us to use the minibus to take our members to their sports events.

Robin corrected the date for Margaret Macintosh's retirement party, which was held on May 31st.

Debbie Meyers motioned to accept the minutes as corrected and Carolyn seconded the motion.

Janis reported that the trip to Jackman was very successful. They visited a B-52 Bomber site and a trip to Grenville, where they had tours. Janis has booked the Sky Lodge for some time in August of 2019.

Bob, our bus driver, did not take the Jackman tour trip due to an injured finger. During the trip, a large chunk of the tire was destroyed due to a bump in the road. Ed took the bus back to his house to check it out. Money had to be released for funding two new tires. The bus also had a switch and leak repair which was done at Patsy's. Janis is in discussion with Patsy's on the cost of these repairs.

At this time, the North Carolina trip to Asheville is questionable, due to the weather conditions in that area. If this trip is cancelled, Janis will plan a Fall Farms Mystery Day during the week of Oct. 9th-14th. This trip will be advertised in the Oct. Scoop.

The annual Steak-Out will be held Sept. 21st and is currently sold out. Brenda reported that the new sign chosen by the Board, has been installed outside. Also, the broken toilet seats have been replaced and the towel dispenser replaced in the ladies room. Sid Wakefield cleaned out the Program Room. The flower planters outside will be changed for the fall.

Brenda informed us that Weight Watchers will be using this building on Thursday evenings from 4:30-5:30. Our next meeting will be scheduled for November 2018. Meeting was adjourned at 2 PM.

Respectfully Submitted, Jacqui Valentino
