

Official Rules - Grades 3-4

2025-2026

Start of Game:

Coaches and players should be on site 10 minutes prior to the scheduled start time.

Each team will be allowed a five-minute warm-up period beginning at the scheduled start time. Games will start when each team has at least five players present. If a team has four players, the game may be played 4-on-4 **only if both coaches agree**. If either coach does not agree, the officials will declare a forfeit and the game will be recorded as an exhibition. Teams will then be formed using the players present from both teams, and the exhibition game will be played.

Length of Game

Games consist of **four quarters, each lasting eight minutes**, with the clock stopping for all stoppages in play.

Halftime - 3 Minutes

Overtime

Regular Season: If the game is tied at the end of regulation, a two-minute overtime period will be played. If the score is still tied after the 1st overtime period teams will play a "first to score" overtime period.

Postseason: If the game is tied at the end of regulation, a two-minute overtime period will be played. Overtime periods will continue until a winner is determined.

Clock Stoppage

The clock will stop any time the whistle is blown, including for timeouts, out-of-bounds plays, fouls, injuries, or any other delay deemed necessary by the officials.

Running Clock

A running clock will be used if the score margin reaches 20 points or more.

Timeouts

Each team is allotted two 30-second timeouts and one 60-second timeout per game. Timeouts do not carry over into overtime. During overtime, each team will receive one 30-second timeout. Teams are encouraged to use their timeouts strategically.

Substitutions

The following are **MANDATORY** substitution rules.

Substitutions may only occur at the 4-minute mark of each quarter. Five new players should rotate every 4 minutes. This rule only applies if both teams have at least 8 players available.

Playing Time Requirements

Every player must participate for at least **one full quarter and one half of a quarter** (these do not need to be consecutive, but the total playing time must be met).

No player may sit out twice before every teammate has sat out at least once. (This rule does not apply if the team has fewer available players.)

Free Throws

All players must begin their shot from behind the free-throw line. They may cross the line during their shooting motion, provided they are not attempting to gain an advantage for a potential rebound.

Players will have ten seconds to attempt a free throw. Exceeding the ten-second limit will result in a violation and forfeiture of that free-throw attempt.

Players positioned along the lane may not enter the paint until the ball has been released from the shooter's hand.

Personal/Technical Fouls

Each player is allowed a maximum of five personal fouls; players may foul out. Player and team fouls will be recorded at the scorer's table. No free throws are awarded for player-control fouls; however, such fouls count toward both the player's personal foul total and the team's foul count.

Bonus: When a team reaches seven team fouls in a half, the opposing team is awarded a "one-and-one" free throw.

Double Bonus: When a team reaches ten team fouls in a half, the opposing team is awarded two free throws on each subsequent foul.

All technical or flagrant fouls will result in two free throws for the opposing team. In addition, the fouled team will retain possession of the ball.

If a player or coach receives two technical fouls in a single game, they will be ejected. If a coach accumulates more than two technical fouls over the course of a season, they will no longer be permitted to coach.

Three Second Violation

An offensive player may remain in the lane for a maximum of three seconds. Exceeding this limit results in loss of possession.

Back Court Violation

If the offensive team returns the ball over the center line into their own backcourt after it has crossed into the frontcourt, without first being touched by a defender, the team loses possession.

Defense

Only player-to-player defense is permitted; zone defense is prohibited. When an offensive player is outside the three-point line, the defending player must stay within three feet of the three-point line and remain near their assigned player. Defenders may not occupy or linger in the paint while their player is outside the three-point line. Teams will receive one warning for an illegal defense. If the violation occurs a second time, it will result in a team technical foul.

Double teaming is not permitted outside the three-point line.

A player must make every effort to stay with their assigned opponent or move away if they are creating a double team. Officials will warn defenders when a double team occurs and will allow reasonable time for players to adjust and return to proper player-to-player coverage. If the player or players fail to release from the double team after the warning, a violation will be called, and the offensive team will be awarded the ball out of bounds at the spot closest to where the violation occurred. However, if an offensive player places themselves in a vulnerable position and effectively plays into a double team, no infraction will be called and play will continue.

Full court pressing is **not permitted** at any time.

Miscellaneous

- Basket height: 10 feet
- Basketball: 28.5
- Three-point field goals are permitted.
- All players must wear their team uniform during game play. No alterations to team uniforms is permitted (i.e., removing sleeves).
- Players are not permitted to wear any jewelry, including necklaces, earrings, rings, bracelets, or similar items, during competition.
- Street shoes are not permitted on the court playing surface.
- All league games will be officiated by certified Junior IAABO officials.
- **Zero Tolerance:** Referees, league officials, and facility supervisors have the authority to eject any individual, including fans, who exhibit unsportsmanlike behavior. All ejections will be reviewed by the league.
- In the event of a snowstorm, coaches will be notified by email regarding the status of games scheduled for that day. If games are postponed, every effort will be made to reschedule them.

Playoffs

Seeding

Playoff seeds will be determined by each team's regular season record.

Tiebreaker

If teams have identical records, playoff seeding will be determined by point differential (points scored minus points allowed).

Other Rules

All regular season rules, including playing time requirements, remain in effect during the playoffs.

Awards

A team trophy and individual awards will be presented to the League Champion and League Runner-Up.
