FALL THEATRE PRODUCTION - “THE CEMETARY CLUB”

Fall Theatre Production  THE CEMETARY CLUB
Be on the look-out, registration will be opening soon for our fall production THE CEMETARY CLUB. Each year on Halloween, a group of trick-or-treaters meet to try and find the ghost that has haunted their town ever since the terrible accident. The ghost only appears once a year and she seems to be looking for someone who can give her the answer as to why she appears every Halloween. This group of kids is known as The Cemetery Club and this year they find out the answers! Join us for this fun ghost story that will make you laugh and wonder if ghosts actually exist. Classes will be held after school on Wednesday, October 19th, Friday, October 21st, Monday, October 24th, Wednesday, October 26th, and Friday, October 28th. Dress rehearsal will be held on Sunday, October 30th (in the afternoon so as not to interfere with Trick or Treating). There will be one performance on Monday, October 31st. The performance will be held in at the cemetery ..also known as Foster’s Clambake!

BABY BOOMER GOLF - ADULT

This is the perfect clinic for anyone who wants to spend a full week fine tuning your skills in preparation for a golf-filled summer or fall.

The Town of York is accepting applications from residents interested in serving on a volunteer committee charged with developing a needs assessment for a multigenerational community center in York. The nine member committee will work with the Parks and Recreation Board to determine needs or “gaps” between current services and desired services or “wants”. The assessment will study the needs of all age groups, from senior citizens to preschool, to determine what type of facility would best serve the community as a whole. Interested citizens should contact the Town Manager’s office for additional information or to obtain an application (207-363-1000).
