## Water Week

July 8th - July 12th

**Monday July 8th:** Today, we are going to kick off water week with so many fun water games outside. We will be playing some camp favorite water games, like Drip, Drip, Drop, water limbo, water relays, and so much more. **Please make sure your camper comes to camp with a bathing suit, sunscreen, extra change of clothes, and plenty of water!**

**Tuesday July 9th:** Today we will be traveling down to Tamworth, NH and visiting the White Lake State Park. While at White Lakes, we will be swimming in the lake and playing on the playground! We will be leaving for this field trip at **10am sharp** and returning around 4pm. Please make sure your camper comes to camp with both **their bathing suit and sunscreen on**. Also, make sure they have the camp essentials: lunch, two snacks, and plenty of water!

**Wednesday July 10th:** Wednesday's are our beach days! We will be going to Harbor Beach right at 10:00am. Please make sure to remember sunscreen, a towel, and swimsuit in particular today! Also, please make sure your child is wearing sunscreen and their bathing suit **BEFORE** you drop them off at camp. The bus arrives at 10:00am sharp and we do not have enough time to apply sunscreen to every child before we leave.

**Thursday July 11th:** Today we will be heading over to the York Community Auditorium for a Cinderella marionette show, presented by the York Public Library. The performance begins at 10am, so we will need to leave VES at **9:30am SHARP!** After the show, we will head back to our camp and continue our day at camp with plenty of games and crafts.

**Friday July 12th:** For the last day of water week, we will be staying at camp. We have many more different water themed crafts and games to play! **Make sure your camper has their bathing suit and sunscreen packed in their bag!**
