

February 2023

Dear Friend of Parks and Recreation:

These past few weeks have been exciting for me as I start my new adventure as the York Parks and Recreation Director. Everyone from the town has been incredibly welcoming to me and I see why York has such a great reputation. I look forward to getting to know you and I thank you for your support of our community.

While I hope that you are enjoying all of your favorite winter recreation activities, I wanted you to know that the York Parks and Recreation Department is busy preparing for the upcoming summer months. We will be offering our community a wide variety of programs for all ages and interests, all of which are intended to promote the social and physical development of York residents and guests.

I would like to solicit your support as a sponsor of the Parks and Recreation Department's 2023 summer brochure. Each year, our department develops a high-quality summer brochure that is mailed to every resident and business in the Town of York. Also available is a digital flip version of the brochure on our website. The brochure contains information on summer recreation programs, special events, entertainment specials, beach information, parks and recreation news and advertisements from local sponsors.

As a sponsor, the Parks and Recreation Department will acknowledge your support by placing a business card size ad in the summer brochure, listing sponsors periodically in our monthly newsletters, placing your ad on our website, and teams in our youth athletic programs will wear shirts representative of a community sponsor. The cost of program sponsorship is \$300.00 for a black & white ad or \$400.00 for a four-color ad.

If you wish to support the Parks and Recreation Department, through sponsorship, please complete the attached form and return it by March 1, 2023.

I'd like to thank you, in advance, for your consideration. We encourage you to join with other local businesses and public service organizations in support of this valuable program. Should you have any questions or concerns regarding sponsorship, please don't hesitate to contact me by e-mail at [pmurray@yorkmaine.org](mailto:pmurray@yorkmaine.org) or by phone at 207-363-1040.

I hope that you enjoy all the gifts of winter in Maine, but I invite you to join us in thinking about summer 2023, it's going to be a great one!

Be well,

Peter Murray, Director  
York Parks and Recreation Department
